Senior Assistance Information & Referral Services

Effective August 2026

The following free helplines connect older adults and their families with information and referrals for services such as in-home care, meals, transportation, benefits counseling, caregiver support, and housing assistance. These services are provided by outside organizations and are listed for the convenience of Ridgewood Club residents.

211

Community Resource Helpline

Free, confidential, 24 hours a day. Dial 2-1-1 from any phone to reach a local specialist who can connect you with senior services, food and utility assistance, health care, and crisis support.

800-963-5337

Florida Elder Helpline

Statewide helpline operated through the Florida Department of Elder Affairs. Provides information and referral to local Area Agency on Aging programs and long-term care resources.

321-473-7770

Helping Seniors of Brevard — Senior Info Line

Local Brevard County information line for seniors, families, and caregivers seeking area senior services and resources.

407-574-1800

Senior Assistance Referral Line

Additional Central Florida referral number for senior information and assistance.

In an Emergency

For any medical emergency, fire, or situation requiring immediate police response, call **911**. The helplines listed above are for information and referral only and are not emergency services.

Ridgewood Club Condominium Association provides this list as a courtesy and does not operate, endorse, or guarantee the services of the organizations named. Please verify current hours and eligibility directly with each organization.
